The purpose of this agreement is to remain in alignment with Microsoft's subscription policies. Existing Stratus Concept clients have been subscribed to month to month subscriptions with Microsoft. Beginning in March, these subscriptions will have a 20% price increase.

This Agreement is an addendum and supersedes any existing agreement between above parties.

Microsoft 365 Business plans are available for monthly commitment or annual commitment.

- **Monthly commitment:** You pay month by month and *you can cancel at any time.*
- **Annual commitment:** You sign up for a one-year subscription and you can only cancel at the end of the subscription period. *There is no early termination.*

On March 1 2022, Stratus Concept will assign Monthly commitment subscriptions as the default for all Microsoft products unless you request Annual subscriptions via this form.

Annual subscriptions may be paid monthly, however if you terminate services with Stratus Concept before the end of the subscription, **you will be required to pay the full amount** remaining for the subscription.
